

# The Opioid Epidemic: How Did We Get Here, Where Are We Headed, & How Do We Help?

**WHEN:** Friday Aug. 30th, 2019/ 8:30- 12pm (Lecture starts at 9am)  
**WHERE:** Azure Acres IOP: 2641 Cottage Way #8, Sacramento CA 95825  
**COST:** \$50 (Intern/ Student: \$30)  
**3 CE's included for all Masters level and CCAPP clinicians**

This training will be an educational presentation discussing a major issue plaguing many countries; the worst opioid epidemic we have ever seen. Topics will cover historical implications, neurobiology, societal impacts, and up to date best treatment practices. This training is designed for mental health professionals, AOD counselors, and the general public. Light snacks and refreshments will be provided.

## GOALS & OBJECTIVES

- ~ Explain what opioids are.
- ~ Account for the etiology of the current epidemic.
- ~ Discuss the next epidemic heading our way.
- ~ Educate why opioid addiction is a specialty within the addiction field.
- ~ Explore the importance of individualized treatment in the realm of opioid addiction.
